

oxygen connect

Druglink's new out-of-hours service, providing seven day a week support for adults struggling with their mental health.

Funded by the Department of Health and Social Care (DHSC) Suicide Prevention Grant, Oxygen Connect will support people from 5-10pm weekdays, and 10am - 4pm at weekends.

Drop-in sessions and activities, alongside structured support groups, will offer a safe haven for people needing help but struggling to find somewhere to go outside working hours.
